

Kentucky State Inter-Agency Council 2016-2017 Standing Committees

Continuous Quality Improvement Committee

Chair: Dr. Greg Finkbonner (DJJ)

The Continuous Quality Improvement (CQI) committee is responsible for conducting data analysis to ensure the system of care is systematically and intentionally improving services and increasing positive outcomes for the youth and families they serve. Activities may include, but are not limited to, reviewing and analyzing a quarterly data dashboard and conducting analysis of disparities and disproportionate minority contact in the system of care.

Disproportionality & Disparity Committee

Chair: Edward L. Palmer, Sr. (SEJAY)

The Disproportionality & Disparity Committee is responsible for identifying and addressing disproportionate minority contact (DMC) and disparities across state agencies. Activities may include, but are not limited to, increasing knowledge of DMC through delivery of foundational trainings, increasing knowledge of DMC Reduction Model among state agencies, and exploring service use by race to determine whether individuals of color are accessing prevention and early intervention services and make recommendations for increased service use based on results.

Service Array Committee

Chair: Melissa Goins (FRYSC)

The Service Array (SA) committee is responsible for identifying service supports and practice models to achieve the shared outcomes of the system of care. Activities may include, but are not limited to, refining the statewide service array continuum, exploring the wider adoption of evidence-based practices, and exploring service usage across the state.

System Structure & Governance Committee

Chair: Natalie Kelly (DCBS)

The System Structure & Governance (SS&G) Committee (which absorbed the former Finance & Resource committee) is responsible for identifying the administrative and/or system infrastructure needed to support the system of care, and for developing a long-term governance structure for the children's system of care. Activities may include, but are not limited to, drafting legislation and regulations, reviewing SIAC policies and procedures, supporting the evolution of the Regional Interagency Councils and reviewing and acting on the results of the upcoming financial mapping process.

Training & Technical Assistance Committee

Chair: Paula Saenz (DCBS)

The Training & Technical Assistance (T&TA) Committee is responsible for supporting the system of care with practical or specialized knowledge through information sharing, training opportunities, and specific

Kentucky State Inter-Agency Council 2016-2017 Standing Committees

implementation tools. Activities may include, but are not limited to, supporting the System of Care Academy planning and implementation, researching best practices, developing tip sheets or guidance documents, and leveraging existing training and technical assistance opportunities for system of care partners.
